

McCain

HEART CENTER

MADE POSSIBLE BY A GIFT FROM PAT & BOB MCCAIN

Friday February 1

Dr. Pradeep

**“Coronary Artery Disease-
To Stent or Not To Stent”**

Advanced tools help interventional cardiologists determine the best approach. Current treatments will be discussed.

Friday February 15

Dr. V Gahlot

“Congestive Heart Failure”

Learn more about this condition and the stages of heart failure. Important information about diagnosis, treatment, and prevention will be presented.

Friday February 22

Dr. A. Kirollos

**“Getting The Most Out Of
Your Cardiac Care”**

Learn how to take charge of your heart health and be a part of your heart care team for the best outcomes.

2019

McCain Heart Health Series

In honor of National Heart
Month

We are pleased to offer a series of free educational opportunities designed to assist and support interested individuals in the community. These opportunities can be attended as a comprehensive program of pertinent topics in heart health or you may choose the one that interests you most.

**All sessions will be
held at UNC Lenoir
Health Care
Auditorium
11 AM - Noon**

**No registration
necessary**

Free to the public.
Great for groups.
Both women and men are
welcome!
